

ESL OC6b
Presentation #1

Every student will give a short oral presentation (about 5 minutes) about the country or city where you grew up. This is a TALK, so be prepared to talk.

We will hear students' presentations this Friday, September 3, and next Tuesday and Wednesday. (Monday is Labor Day and there is no school.)

- You may bring notes to help you remember what you want to say. Do NOT write a story and read it to us! This is a TALK!
- When it's your turn, go to the front of the room.
- First, give us some basic information:
 1. Tell us your name
 2. Tell us the name of your country or city
 3. Show us your country or city on the map at the front of the room.
- Then, talk about one topic. Don't try to tell us everything.

You can talk about anything you want, but here are some suggestions.

1. the history of your country
2. an interesting place to visit
3. climate and geography
4. food
5. politics
6. sports
7. industry or business
8. your favorite city
9. your favorite vacation place
10. music
11. movies or TV shows
12. anything else
