

Honey Bee Cookies

1 c. softened margarine
1 c. packed brown sugar
1 c. honey
2 eggs

3 c. unbleached flour
1 t. baking soda
1 t. salt
1 t. cinnamon

1 c. chocolate chips

Preheat oven to 375°. Beat the first group of ingredients vigorously (or use electric mixer) in a large bowl. Mix the second group of ingredients and add to first. Mix in chocolate chips. Bake on ungreased cookie sheet. Note: Mom adds an additional ¼ c. flour so they're not so sticky.
